

## **Secondary School Admissions Test Information**

Students applying for admission to private secondary schools are required to take the Secondary School Admissions Test. We administer these tests at North Country School once in the fall and once in the spring.

Our policy will be to register the members of Level V for the November 13th test date and the members of Level IV for the April 9th test date. This schedule will allow students the opportunity to take the test two times - once in the spring of their eighth grade year and again in the fall of their ninth grade year prior to completing their secondary school applications during the winter term of that ninth grade year. Students generally improve their performance as they gain familiarity with the test. We feel that taking the test two times affords students the best opportunity to achieve an accurate score.

**Families who would like to have their 8th (Level IV) grade student tested in November must notify Colette Wilson <[cwilson@northcountryschool.org](mailto:cwilson@northcountryschool.org)> no later than September 23rd for the November test date.**

Please feel free to contact Colette Wilson or Libby Doan if you have any questions or concerns regarding this schedule.

**NOTE TO 9<sup>TH</sup> GRADE PARENTS:** A separate letter specifically outlining the secondary school process will be sent out by Nick Perry.
