

March 2010

**CAMPERS MUST HAVE A COMPLETE PHYSICAL
SOMETIME AFTER AUGUST 15, 2009.
(Make your appointment today!)**

Dear Parents:

By New York State Law, enforced by the New York State Department of Health, your child cannot be at camp without a signed health form. **Please return this form prior to June 1st.**

The Health History form is very comprehensive and we ask that you complete it carefully. **Please be sure to send a copy of your child's complete immunization history including the dates of all booster shots.** If your child will need any medication or has any health concerns, please have your doctor write complete instructions on the last page of the health history form. All medications brought to camp should be in the original container or prescription bottle and require a doctor's signed order to be administered at camp.

If you would like to discuss any concerns you have, please communicate this to Karen Culpepper or write a note on the health history form.

Thank you,

The Camp Treetops Nursing Staff
